

STM vs St. Joes-Ogden (8/29)

STM: 0

SJO:0

***SJO wins in Shootout**

The Sabers had a disappointing result in their conference tournament opener losing to St. Joes-Ogden in a double PK shootout after a scoreless game was played. STM was not hoping for the game to be decided by a shootout, but the athletic SJO team managed to keep the STM offense quiet. The shortened halves and short dimensions of SJO's field were factors as STM was kept out of the net for the first time all year. STM has its 2nd conference tournament game tomorrow vs Clifton Central.
