

STM vs Watseka (8/31)

The game started with an interesting twist as a Watseka cross was cleared off the goal line by an STM player's hand one minute into the game. The STM player was given a red card for blocking a goal and Watseka's Josh Douglas buried the PK to put the Sabers in an early hole.

Dan Shin would not be denied however as he put the Sabers ahead at halftime with goals in the 23rd and 27th minutes. After halftime, STM continued their dominance with Kyle Kostell picking up the third score on a Kyler Jones feed. Shin completed his hat trick on Wiley Jones' 2nd assist of the match in the 38th minute. Having won by such a convincing score, the Sabers have played themselves back into the conference tournament race with their final tournament game tomorrow night against Iroquois West in Gilman, IL.
